**Yes. The HBA offers a number of benefits that are accessible no matter where you are located, including:**

- Access to the exclusive [HBA Community](#) which will allow you to add contacts, exchange best practices in the resource library, and join discussions with others in healthcare worldwide who share your interests
- A subscription to the [HBA Advantage magazine](#) (*US addresses only*)
- Discounts on registration to [a variety of webinars](#) on topics in innovation, healthcare trends, leadership development, career path development, and more
- A number of [volunteer opportunities](#) (both chapter-based and global) that may be available virtually.
- Advance your career with access to post your resume on the [Career Center](#) or do a job search
- Enjoy discounts on job postings on the [Career Center](#)
- The opportunity to be recognized through volunteering and HBA awards.

If you feel that your region could benefit from a local HBA chapter, we would be happy to explore the possibility of starting a group in your area. Please contact [Barbara Bull](#), director of chapter care, for more information.

You may also be interested in using the [membership directory's advanced search options](#) to find other members in your area to network informally.
