To participate in discussions in the HBA Community:

1. If you are posting in the “**Member Forum**” click the link on the community navigation bar. If you are posting in another community click “**Communities**” then choose “**My Communities**” and selecting the community to you are planning to post the content in.
 - From here, you can browse discussions, shared files and the membership list.
2. To add your own discussion, click the green “**Post New Message**” button in the discussion section.
 - In accordance with the HBA Community etiquette policy, please keep topics relevant to the HBA mission and refrain from posting commercial messages. Job opportunities should be posted in the [HBA career center](#) instead of the Community.
3. You can read an existing discussion by clicking the topic title.
 - For each post, you can choose to respond publicly to the discussion or reply directly to the sender through a message, by clicking on “**Reply to Discussion**” or by clicking the arrow icon and selecting “**Reply to Sender.**”
