Applying is a two-step process!

1. Visit the [HBA Global Mentoring Program page](#)

- Click "Register" to be directed to the registration page.
- From the registration page, click on the **"Register"** button.
 - If you are not already signed in to the HBA website, you will be prompted to do so.
 - Once you have signed in, you will be taken to a page where you can **"Start registration"**.
 - From the next screen, you will be able to select the registration rate based on whether you are registering as a **"mentee"** or a **"mentor"** and based on your global location.
- Click **"Proceed to checkout"**
 - Please enter your payment information and click "Process my order".
 - ***Your registration is not yet complete.***
 - You will receive an email from the HBA that will contain a link for you to complete the next step of the registration process, which is a matching survey.

2. Complete your **matching survey** before the deadline.

- Once the application is complete, it will automatically be sent to the mentoring committee. You will be contacted directly about your participation in the program before kick-off.
- Please be patient, as matching is a process that requires a lot of time and energy. We want to make sure we find you the best possible match!

Congratulations! Your mentoring journey is about to begin!
