Applying is a two-step process!

1. Find your regional registration page [here](#)
 - From the registration page, click on the “**Register**” button.
 - If you are not already signed in to the HBA website, you will be prompted to do so.
 - Once you have signed in you will be taken to a page where you can “**Start registration**”.
 - From the next screen, you will be able to select the registration rate based on if you are registering as a “**mentee**” or a “**mentor**”
 - Click “**Proceed to checkout**”
 - Please enter your payment information and click “Process my order”.
 - ***Your registration is not yet complete.***
 - You will receive an email from the HBA that will contain a link for you to complete the next step of the registration process, which is a matching survey.
2. Complete your **matching survey** via the link in the email you receive prior to the deadline.
 - Once the application is complete, it will automatically be sent to the mentoring committee. You will be contacted directly about your participation in the program prior to kick-off.
 - Please be patient, as matching is a process that requires a lot of time and energy. We want to make sure we find you the best possible match!

Congratulations! Your mentoring journey is about to begin!
