

Coat and bag check

Last Modified on 01/05/2025 9:30 am EDT

We will have a WOTY coat check (location and price to be determined by hotel), make sure to bring cash for this if you plan on checking your coat. You can leave your bags with the bell men at the hotel if you are staying at the hotel.

Please note: Any bags larger than a purse or book bag will need to be checked with the hotel in the lobby. NO roller bags will be allowed in the ballroom and will need to be checked at the coat check.
