

# How will I know where to sit?

Last Modified on 01/05/2025 9:29 am EDT

When you arrive onsite please check in at the HBA Registration Desk. You will scan your QR code to "check in" and review your badge information before you print your badge. Your badge will have your table number and seat number listed. In addition, upon arrival, you will see signage that shows where company tables are at the event.
