In-Person Attendance:

You will receive an email from "HBA Global Ascension Leadership Experience" containing a QR code on/around April 16. **You must check in at Registration, either with your QR code or by looking up your name, to enter the event.*** We recommend bringing a printed copy of the QR code or having it pulled up on your mobile device ready to scan.

If you did not receive this email, please contact HBA Customer Support at HBA@HBAnet.org.

Virtual Attendance:

You should receive an email on/around April 20 that will provide you with instruction on how to access the virtual platform. If you do not receive this email by April 20, please check your SPAM/Junk folders as it can sometimes be redirected there.

If you don't have the email, please contact hba@hbanet.org.
