

How to add your company to our database/profile

Last Modified on 08/04/2023 11:39 am EDT

1. Login to your HBA Account

2. Click on Edit Profile

3. Click on submit a request

⚙ Contact - My Company

Company Name

To select a company, just start typing. When you have entered at least 3 characters, you will see a list of matching

- HBA lists companies based on headquarters or corporate partner origination location, so select the location of your work location (if you work elsewhere) in your individual profile.
- If your company has only two characters, please enter a "space" after the second letter.

If your company is not listed below, please [submit a request](#) to add your company.

Type at least 3 characters to select from list.

SAVE

⚙ Global - MX Form (contact)

My Chapter Affiliation

4. Fill in the required fields with your company information and then click Save
