

Who Can Participate in the Program?

Last Modified on 10/24/2022 1:24 pm EDT

The HBA mentoring program is a **members-only** program; both mentors and mentees must be (or become) HBA members to participate.

In most regional programs, if you are not a member, your membership fee will be included at the time of registration. Please note that membership fees are **nonrefundable**.

If your region does not bundle membership and you are not a member, you will be notified by the mentoring leaders if you are not a current member and asked to process your membership. It would also be prudent to check your membership status before applying. Email membership@hbanet.org with any membership related inquiries.
