

What if I can't make the dates for the mandatory events such as the mentee orientation, mentor training or kick-off?

Last Modified on 11/05/2020 3:43 pm EST

It is extremely important that you plan your calendar to be present (even virtually) for the live events. Non-attendance could be grounds for replacement. If you cannot attend one of the mandatory events, please contact your regional mentoring leadership team.
