## Are there recordings available after the events?

If you registered for the event but are unable to attend, sessions will be recorded and available for up to six months after the conclusion of the event. All sessions will be posted the day after the live session takes place. You will also receive an email once all sessions have been posted within the virtual platform.

## How long will I be able to view past sessions in the platform?

You will be able to access past sessions in the platform for 6 months post-event.
