

How to reset your Qooper password

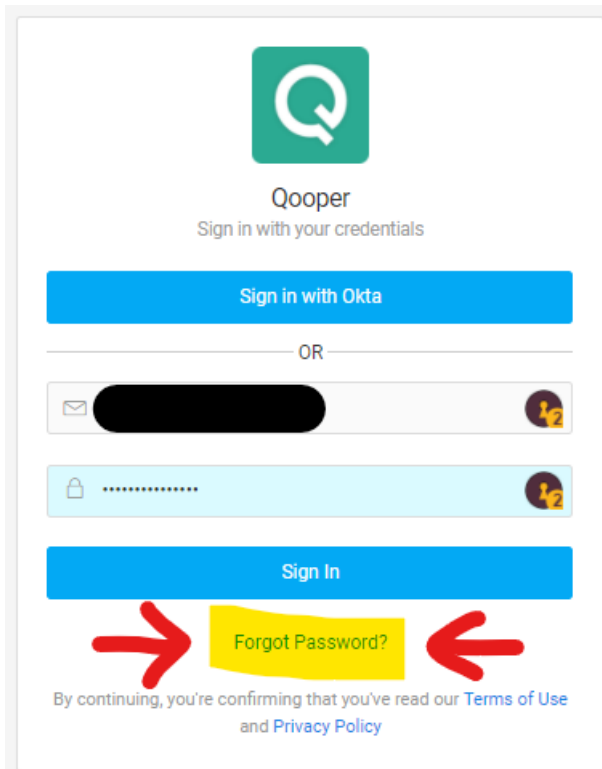

Last Modified on 02/11/2022 10:54 am EST

1. Click on the link below to access the Qooper mentoring page. <https://mentoring.qooper.io/join>
2. Please enter your email address defined for the program and click on the submit.

The screenshot shows the Qooper logo at the top, followed by the text "Qooper" and "Please enter your email address defined for the program." Below this is a text input field with a placeholder "Email Address" and a blue "Submit" button. At the bottom, there is a link to "Terms of Use and Privacy Policy".

3. Click on the "Forgot Password?" button located at the bottom of the page.

The screenshot shows the Qooper logo and "Qooper" text, followed by "Sign in with your credentials". There is a blue "Sign in with Okta" button, an "OR" separator, and input fields for email and password. Below the password field is a blue "Sign In" button. A yellow "Forgot Password?" button is highlighted with red arrows pointing to it from both sides. At the bottom, there is a link to "Terms of Use and Privacy Policy".

4. Click on the "Send Reset Email" button to receive the password reset email.
 5. Follow the instructions on the email to reset your password.
