

How to post a Discussion in a Group

Last Modified on 02/11/2022 10:57 am EST

Mentors and mentees are able to post a discussion topic in a group.

1. Log in to the Qooper Website.
2. Navigate to the "Groups"  **Groups** section on the top bar menu.
3. Select the Group where you want to post a discussion and click on the "View" button.
4. Select the "Discussions" tab and click on the "Post" tab to create a new discussion for the group.
